DAMAGED AND MISSING PACKAGES

Before signing for any order, inspect the packages for any visible damage. Always note the damage when
 you sign and request a damage inspection. Then, check the boxes to determine the number of packages in the

Estimado cliente:

Le proveemos esta hoja de reclamos para cualquier error que pueda ocurrir en el proceso o embarque
 de su pedido. Para solucionar dichos problemas, por favor llene el formulario incluyendo su nombre, número
 de cuenta, fecha de empaque y número de pedido.

PAQUETES DAÑADOS O EXTRAVIADOS

Antes de firmar cualquier pedido revise los paquetes en caso de aparentes daños. Siempre al firmar anote
 el daño y solicite una revisión de daños. Después inspeccione las cajas para determinar el número de paquetes

CUSTOMER SERVICE CORRECTION FORM

We encourage you to use these forms as mail correspondence with all the information supplied
 so that this problem can be handled promptly and efficiently. Forms correctly completed will be
 processed as quickly as possible; however, missing or inaccurate information can slow the process
 and keep you from receiving the quickest and most efficient service.

If you are returning damaged products, call Customer Service for an RG number before shipping.
 Every return needs a return authorization number (RG). You cannot use the same RG number on different
 returns. If your package does not have an RG number, no credit can be given and the products cannot be
 returned.

FORMULARIO DE CORRECCION DE SERVICIOS

Le sugerimos que use estos formularios para correspondencia con toda la información
 provista de modo que el problema pueda tramitarse con brevedad y eficacia. Los formularios
 llenados en la forma correcta serán procesados lo antes posible. Sin embargo, toda la información
 que se omite o no esté correcta retrasará el proceso y le dejará sin recibir un servicio rápido y
 eficiente.

Si está devolviendo producto que está dañado, llame a Servicio al Cliente para que le
 den un número RG antes de enviar ningún producto. Toda devolución necesita un número de
 autorización (RG) diferente. No se puede usar el mismo RG para diferentes devoluciones. Si su
 paquete no tiene RG, no se le podrá dar crédito y no podrá devolver el producto.
